

PROGRAM: Extended Rate Lock NEM RATE LOCK

Locking your interest rate will protect you from rate fluctuations during the construction of your new home! You can protect your rate for up to 360 days. If rates go down before closing, you have a one-time float down option to a lower rate. Protect your rate, while building your dream home!

KEY FEATURES -

- ✓ Extended Rate Locks up to 360 days
- ✓ FREE Float Down Option to market rate
- ✓ Conforming & Jumbo 30 & 15 Year Fixed
- ✓ Conforming & Jumbo 5/1, 7/1 & 10/1 ARM

At Northeast Equitable Mortgage, we know that each customer has specific needs. I strive to accommodate each borrower with a wide array of mortgage products. I look forward to helping your clients with the financing their new home. My experience and knowledge will help them to choose the right loan that best fits your specific needs.
